** **School specific:** Only available from SWI Schoolwear via swischoolwear.co.uk

Ordering and Delivery

Orders for blazers, ties and sports kit are placed via SWI Schoolwear swischoolwear.co.uk. Please note that as the school is not open during the summer holidays any orders during this time should be delivered to your home address and placed by 31 July for deliveries prior to the start of the autumn term.

Second Hand Uniform

We have partnered with South Bucks Hospice Shop at 92, Sycamore Road, Amersham HP6 5EW to offer DCGS branded second hand uniform.

Optional Sports Kit Items

It is recommended that optional garments are purchased in the autumn term once it is ascertained whether your child will make use of them. Studded boots are only needed for rugby lessons when the fields are soft; please do not buy these unless your child already needs them for playing extra football or rugby matches.

Mouthguards

The PE Team strongly recommend a robust mouthguard for safety during sports such as hockey and rugby. This can be purchased from any reputable outlet. To view further information and order an OPRO custom-fit mouthguard, please click here.

Naming of Garments and Equipment

All personal items must be clearly named, to ease identification and to speed the return of lost property.
